Executive Secretary

173-1586

MEMORANDUM FOR: Executive Secretary
CIA Management Committee

SUBJECT : Memorandum on Black Recruiting

Bill, -

I am forwarding for your background and possible use a memorandum from Jim Murphy reporting on a conversation he had with Henry G. Parks, Jr., President of Parks Sausage Company. Mr. Parks is one of the nation's outstanding black businessmen and his thoughts on how the Agency might be more successful in recruiting blacks are worthy of some attention and action.

PAUL V. WALSH
Assistant Deputy Director
for Intelligence
